

**OXFORD COMMUNITY CENTER**  
**OUTDOOR EVENTS GUIDELINES**

We have all missed holding events at Oxford Community Center during this time of pandemic. Based on the current stage of the pandemic and considering the guidance from the CDC, the State, the County, and the Town, it now seems safe to hold outdoor events. Accordingly, we are planning to resume outdoor events, using the following guidance:

- Our outdoor events will be held on either the front lawn or the side lawn, weather permitting.
- Attendees are required to RSVP.
- Attendees are asked to arrive early to help avoid congestion at the entrances.
- Wearing masks and maintaining appropriate social distancing are mandatory. Attendees are asked to bring their own masks and wear them upon arrival and until departure.
- All attendees will be required to have a temperature check; if a temperature is above 100.4, the attendee will be asked to not enter.
- It is requested that anyone having a fever, chills, cough, congestion, red eyes, rash, loss of taste or smell, or having been around someone in the last ten days, who has tested positive for Covid-19, please do not seek to enter.
- A list of attendees will be recorded.
- Ushers will encourage social distancing at the entrances and on the lawn.
- **Seating:**
  - Attendees are required to bring their own chairs.
  - Attendees are asked to sit on either side of the posts placed in the lawn at 12-foot intervals to better assure that distancing is maintained.
- **Points of Sale:**
  - All ticket sales must be made online prior to the Event; no tickets will be sold at the door.
  - To reduce touch point, no cash is handled on site. Credit cards only are accepted at the bar.
- **Event Cancellation:** If the weather does not permit an outdoor event, notification of the cancellation will be sent *via* email and on the office answering machine. If the Event is not rescheduled, the ticket price will be refunded, upon request by the holder.
